

Bill Payment Hybrid ATM

ATM and Bill Payment in one Solution

Tap into the cash preferred market with the **Tranax Bill Payment Hybrid ATM** and become a trusted location for **secure bill payments** and **financial services**. The Tranax Hybrid ATM running the **TIO Bill Payment Solution** makes it easy for your customers to quickly and privately pay bills to dozens of national and local billers, including utility, phone, and cable companies, as well as withdraw cash.

This convenient, **turnkey self-service solution** is easy to deploy and creates the opportunity to drive **additional foot traffic and revenue** to your location without sacrificing valuable floor space.
